

## THE COURTENAY SOCIETY

To all members of the Courtenay Society

20<sup>th</sup> February 2006

Dear Members

You will find with this letter the final itinerary for our visit to Ireland in October, together with a booking form. You will see that Doug needs deposits by the 15<sup>th</sup> March at the latest to secure hotel rooms (see page 4 – Payments).

A great deal of work and research has gone into the planning of this trip, and it is hoped that as many members as possible will come, because it will be both fun and interesting. Also because the more of us go, the lower the cost! Having said that, it does work out expensive, but we have cut it down, and it is not a trip that can be done on the cheap.

I do hope to see a goodly number of you there.

I am also sending with this letter, to those of you who usually get one, the reminder of annual subscriptions. This is a bit earlier than usual, but we always try to save postage. Subscriptions are due in April, and any cheques sent to us before then will be held until April before they are paid in. Those of you who pay by standing order will also receive this form to confirm that you wish to continue your subscription.

Yours sincerely

Lady Katherine Watney  
Chairman

## *Courtenay Society Visit to the Emerald Isle.*

### *Tour commences: Sunday 22<sup>nd</sup> October 2006.*

Upon advice from our Irish contacts, we have decided to opt for the later departure date of 22nd October. This date will encompass English schools' half term break, so there may be an opportunity for some of our younger members to take part. The tour has also been reduced from 7 nights to 6 nights, in order to achieve: a) a more affordable price, and b) to give members the opportunity to extend their visit to Ireland by a day either end without encroaching too much on the working weeks either side.

The original proposal for the AGM to be held in Ireland has been dropped, although we do propose to hold an informal meeting during the tour. Since we are advised that there is no legal requirement to hold an AGM, the accounts and Chairman's Report will be published with the newsletter.

As the tour starts and finishes in Ireland, you will have the option of arriving in Ireland early, or extending your stay at the end in order to tour independently, or further your own research.

You may make your own arrangements for travelling to and from Ireland, or I will be happy to assist with air fares and hotels. (It is sometimes cheaper to buy air tickets for journeys originating in N. America in the UK and to mail them to the traveller – please ask for quotations. I can also obtain rates for car-rental and corporate rates at a wide selection of hotels).

If there is sufficient interest from members to convene at a common point in England and to travel to Ireland together, this could be arranged nearer to the departure date. Please advise on the booking form if this would be of interest to you. It is usually cheaper to fly to Ireland from one of the London airports than from a UK provincial airport.

#### Your Itinerary:

##### Sunday 22nd October:

Arrive Belfast. Make your own way to the hotel. Free time for sightseeing (Possible optional organised City tour in the afternoon). No arrangements have been made for this evening, but as it is Lady Katherine's birthday, an impromptu party at the hotel looks to be a possibility.

Hotel: Jurys Inn Belfast (3\*), Fisherwick Place.

##### Monday 23rd October :

10.00am: Coach Tour Starts. Depart Hotel for Newry, Co. Down (about 40 miles). Short stop in Newry to visit: Courtenay Hill, and St Patrick's Church (Courtenay graves) – Ireland's first Protestant church dating from 1578.

We will then depart Newry for County Meath and Trim Castle, where will stop for lunch.

***“Trim castle, is the largest Anglo – Norman castle in Ireland and was constructed over a thirty year period by Hugh de Lacy and his son Walter. In Medieval times, Trim Castle stood like an imposing stone sentinel and powerful symbol of Norman strength at the edge of the Pale, the small area of Anglo-Norman influence on Ireland's eastern coast. To go beyond the Pale was to enter the hostile world of the Gaelic Irish. Here at the edge, the two sides would have met in battle.”***

Arrive Dublin mid-afternoon. Check into the Trinity Capital Hotel, Pearse Street, for 2 nights.

The group is free tonight to take in some of Dublin's lively night-spots. There is a wide choice of things to do. (restaurants/theatres/pubs/clubs etc).

Tuesday 24th October :

07.30 – 09.00: Optional breakfast sessions with genealogist Helen Kelly (see note at end of the itinerary \*\*).

09.45 – 10.30: A mini walking tour to the National Library of Ireland.

10.45 – 11.45: We have a private room booked at the National Library, where we will be treated to a seminar on researching Irish Ancestry from Helen Kelly, one of Ireland's top genealogists. There will be a Q&A session after the seminar.

You will be left to your own devices for lunch.

1.30: Meet back at the Library for the group to be broken into various parties for further family history research in the Dublin Archives, or Land registry Office, or sightseeing.

Optional activities in Dublin – I will circulate a selection of optional sightseeing tours once we know the number of participants. Discount availability will depend on the numbers that wish to do each activity. Alternatively, the afternoon is free for shopping.

This evening the group will depart for Johnnie Foxes. Situated in Glencullen in the Dublin mountains, Johnnie Fox's is one of Ireland's oldest and most famous pubs and undoubtedly the highest pub in the country. Your four course meal is followed by a music session and the Johnnie Fox's famous Irish dancers, who provide a spectacular performance.

Overnight: Trinity Capital Hotel.

Wednesday 25th October :

After a full Irish breakfast the group will depart for Limerick.

9.30am: Depart Dublin for Kildare (30 miles) – Tour of Kildare Cathedral.

***Early Gothic style Cathedral, built by the Norman Bishop Ralph of Bristol in 1223. Restored in the 19<sup>th</sup> century. Interesting interior featuring early Christian carvings, and the tomb of Bishop Walter Wellesley who died in 1539. The grounds contain a Round Tower, Celtic Cross, and St Brigid's Firehouse.***

11.45am: Depart Kildare for tour of the 'Rock of Cashel' (65 miles), and lunch.

***"The Rock of Cashel is a spectacular group of medieval buildings set on an outcrop of limestone in the Golden Vale including the 12<sup>th</sup> century round tower, High Cross and Romanesque Chapel and much more. The original forbidding fortification of the Eoghanachta, kings of Munster, witnessed the struggle for dominance of Munster kings over the whole of Ireland. Brian Ború was crowned King of Munster here in 977 and he became High King of Ireland in 1002. He was the first high king to exact universal and effective tribute from the other kings of Ireland."***

Continue to Limerick (about 40 miles). Arrive about 5.30pm.

After our long day, we have arranged for the group to eat together at the hotel this evening

Overnight : Jurys Inn.Limerick, Lower Mallow Street. 3 nights' stay.

Thursday 26th October :

We have a full day of activities in Newcastle West. Although the final timetable is still being finalised.

We will visit the Courtenay School, who are coincidentally celebrating their 300<sup>th</sup> anniversary this year.

Lunch will be taken at the Courtenay Lodge Hotel, in the company of some members of the Newcastle West History Society.

We will make a walking tour of the town, visit the Desmond Hall, once owned by the Courtenay family, where there is an exhibition of historical artifacts. More details to follow.

Hotel; Jurys Inn, Limerick

Friday 27th October:

09.30 depart for Bunratty Folk Park, within the grounds of Bunratty Castle. Set in 26 acres of impressive park, it features over 30 buildings in a 'living' village, and rural setting.

12.00: Return to Limerick, where you will be left to your own devices for lunch, exploring and shopping. There are plenty of interesting places to visit. Details of some of the options will be provided later.

Evening: Return to Bunratty for a Traditional Irish Night .

*The Corn Barn is a perfect setting for a celebration of the best traditions of Ireland today, in the company of the finest singers, dancers, musicians, and story-tellers of the local villages. You can experience at first hand the authentic way that generations of Irish people have entertained themselves and their friends. We dine on home cooked food and excellent wine.*

This will make our last night together a memorable souvenir of our tour.
